

Kardelen ÖZKAN

Undergraduate Student at Faculty of Health Sciences, Child Development Department İstanbul Kent University

My name is Kardelen Özkan. I was born in 2000 at Istanbul/ Üsküdar. I completed my primary and secondary education at Tülin Manço Primary School and Tülin Manço Secondary School, which are close to my home. I completed my high school education at Dilnihat Özyeğin Anatolian High School. Later, I took the exam and entered the Child Development Department of Istanbul Kent University in 2018. In order to improve myself and due to my curiosity, I am doing a double major in Nutrition and Dietetics. I am currently continuing my education life as a third-year-student Class in the Child Development Department and as a second-year student in the Nutrition and Dietetics Department.
